SUBJECT No. 575.

A new building for the Mission school, Kadaba.

Messrs Ramanuja Iyengar and Hutchveeregowda, Gubbi taluk.

Summary of discussion.—The present school building at Kadaba which was given over gratis to the Mission by a charitable gentleman is in a dirty locality. Some *vritti* lands also at Thalerahalli were given over for the maintenance of the building. This subject was brought to the notice of the Mission authorities once before. They are not paying any attention to the education of the boys of this school as they do in other schools and when asked they point to the people and Government. This was once a taluk headquarter and it is prayed that a neat building may be given for the school.

Reply of Government.—Will be referred to the Inspector-General of Education.

SUBJECT No. 576.

Anglo-Vernacular school, Kadaba.

Messrs. K. Ramanujaiengar, and Hutchveeregowda, Gubbi taluk.

Summary of discussion.—There is now a Wesleyan Mission boys' school at Kadaba in the place of the Government taluk Kannada school and Sanskrit patasala which were formerly there and proper instruction is not imparted to the boys in the Mission school.

There is no school anywhere in the Gubbi taluk. Kadaba is a convenient place in the taluk for the location of an A.-V. school. It is prayed that a Government A.-V. school may be established in Kadaba by stopping the grant-in-aid to the Wesleyan Mission as was done to the schools in Nonavinkere and Turuvekere.

Reply of Government.—Will be referred to the Inspector-General of Education for inquiry.

SUBJECT No. 577.

Control over girls' school, Anglo-Vernacular school, etc.

Messrs. Hema Hanumanthaiya, Karnik Nallappa and Yajaman Huchaiya, Tumkur Municipality.

Summary of discussion.—The teachers of the Anglo-Vernacular school, girls' school and also the Zenana teachers not being subordinate to the Deputy Inspector of Schools, no efficient check is exercised over their work and attendance. It is therefore doubtful whether all of them are performing their duties satisfactorily. It is considered desirable that all such teachers should be put in direct subordination to the Deputy Inspector of Schools whose headquarter is Tumkur. It is difficult to the Circle Inspector who has charge of four districts to inspect these schools at least once or twice a year in addition to his other duties. If the retention of Circle Inspectors be considered necessary, it is prayed that orders should be passed that all correspondence of these schools should be invariably carried on through the Deputy Inspector of Schools.

Reply of Government.—The Inspector-General of Education will be consulted.

SUBJECT No. 578.

A building for the primary classes of the Anglo-Vernacular school.

Messrs. Hema Hanumanthaiya, Karnik Nallappa, and Yajaman Huchaiya, Tumkur Municipality.

Summary of discussion.—The number of little children in the Anglo-Vernacular school at Tumkur is so large that there is little or no accommodation for fresh admissions to primary classes. The addition of a new room or

a separate building is therefore quite necessary. In case the latter course is preferred, it will be highly useful if the building is constructed in close proximity to the fort and pettah and a new teacher provided for the class to be held there.

Reply of Government.—The Inspector-General of Education will be asked to inquire and report on the subject.

SUBJECT NO. 579.

Mail train to stop at Nittur railway station.

Mr. Honnaligegowda, Gubbi taluk

Summary of discussion.—The Nittur railway station is a fairly important one. It is prayed that mail trains be made to halt at this station for at least three minutes.

Reply of Government.—Will be inquired into.

SUBJECT NO. 580.

A railway line from Tumkur to Sira and on to Holalkere and Chitaldrug *viâ* Hiriyur.

Messrs. Chikka Badappa, Sira taluk, and Hutchveeregowda, Gubbi taluk

Summary of discussion.—In view of the heavy traffic from Tumkur to Chitaldrug, a railway line may be opened from Tumkur to Sira and on to Holalkere and Chitaldrug *viâ* Hiriyur.

Reply of Government.—Recorded.

SUBJECT NO. 581.

Tasdiks to the temples at Maddagiri.

Messrs. Sivaramaiya, Srikantaiya and Narayanasetti, Maddagiri taluk.

Summary of discussion.—The Malleswara and Venkataramanaswami temples at Maddagiri are extensive and ancient beautiful buildings. These temples have very poor *tasdiks* which are found to be hardly sufficient for *diparadhane* and do not admit of the employment of sweepers to keep the premises in a sanitary condition. Even the pay of the *archaks* is too low to be attractive. The pay may be raised to insure proper temple service, and sweepers entertained.

Reply of Government.—Recorded.

SUBJECT NO. 582.

Repairs to the Sri Byatarayaswami temple at Kolal, Tumkur taluk.

Messrs. Kodandaramasetti, Suryanarayana Rao *alias* Soorappa and Nanjappa, Tumkur taluk.

Summary of discussion.—The Sri Byatarayaswami temple at Kolal is a Muzrai Institution. This is an ancient temple and is in disrepair, and likely to collapse if it rains hard. A contribution of Rs. 80 or 85 was collected on this account and remitted to the treasury. The temple may be restored early by a grant of Rs. 600 or 700 from Government.

Reply of Government.—The Deputy Commissioner is inquiring into the matter and his report is awaited.
